Pelican Bay State Prison and High Desert State Prison hold the records for the most active engagement of course completions, due to the strong collaborative spirit developed with custody, participants, and GOGI. As a result of these successes, GOGI has expanded services to offer FREE, open source GOGI support meetings called PowerUp! Community Support Meetings to all departments of corrections.

Coach Carl Todd—A Focus on Youth

FBOP Terminal Island GOGI graduate and now GOGI Coach, Carl Todd, is training with Coach Taylor and the new GOGI materials so he can begin empower NY Youth!

Working with the youth was Coach Carl's goal set in 2006 when he became GOGI's first Peer Coach. Released to NY in 2009, he is more than ready to let NY Youth know they ARE the solution.... The GOGI Way!

The GOGI Wave has Begun

A note from:

Coach Taylor ~ GOGI Volunteer/Founder

My email inbox fills each day with about 100-200 emails related to GOGI, PowerUp! Community Support Meetings, GOGI materials, and GOGI leadership programming options.

An increasing number of emails, however, are now coming from Departments of Corrections from across the US requesting information. Word has gotten out that GOGI IS A SOLUTION, GOGI Works, GOGI is sustainable, GOGI is cost effective, and GOGI was designed by prisoners for prisoners, and their families and friends... and their communities.

My email response to requests for GOGI is.... "Go for it! Download our FREE PowerUp! Manual and let your incarcerated individuals realize they can be a viable solution within their communities when they model use of the Positive Decision Making Tools of GOGI."

I think they are flabbergasted, taken aback, stunned, shocked and dismayed at my reply. They can't believe that GOGI is free. "Yes," I reply. PowerUp! Community Support Meetings are FREE FREE FREE.

"Here, let me attach the 80-page FREE PowerUp! Support Meeting Manual and you can make as many copies as you want! Just let your incarcerated have it and they will know what to do from there!"

Does GOGI need money? Of course. Could we actually "sell" our PowerUp! Programming? Yes. But, please remember, dear GOGI students, there is more to life than money. If, as volunteers, we are truly able to fuel a revolution in the hearts and souls of the incarcerated, isn't that the biggest paycheck of all? We will continue to sell our leadership and Coach Training programs, but our PowerUp! Community? THAT is for the people. All people. Have your family and friends email us or simply download the FREE FREE FREE PowerUp! Community Support Meeting and let's do this ~ The GOGI Way!
