

Free GOGI Programming for ALL prisons and jails

Attention all prison, jail, or re-entry staff...

(GOGI student, please give this flyer to any staff member, program director, or educator working inside any prison or jail.)

Getting Out by Going In (GOGI) offers a variety of rehabilitative programs and leadership training options, including GOGI's FREE programs which are the subject of this handout. Open-source materials are made available to Department of Corrections, as well as any setting of incarceration, detention, rehabilitation, educational organization, non-profit or other organization working with vulnerable populations. GOGI's open-source materials represent more than 90 percent of all GOGI programming, while 10 percent of our programming is specialized, topic-specific courses requiring funding. All the below GOGI courses and GOGI programs are FREE FREE FREE!
