

Attention all prison, jail, or re-entry STAFF...

Free GOGI Programming for ALL prisons and jails

Attention GOGI student:
Give this flyer to any staff member,
program director, or educator.

Getting Out by Going In (GOGI) offers a variety of rehabilitative programs and leadership training options, including GOGI's FREE programs which are the subject of this handout. Open-source materials are made available in PDF form to Department of Corrections, as well as any setting of incarceration, detention, rehabilitation, educational organization, any non-profit or other organization working with vulnerable populations.

**These free courses
are emailed in PDF
and are available
in Spanish!**

**#1 Tools of the Body
GOGI Life Tools**
(#1 of 4 courses)

**A Free Reflective Writing GOGI Course
to be distributed and processed by
administrators and educators.**

This course is valid when the course is offered by institutional staff and when each student receives a personal copy of all pages. This course is offered at no cost to any organization, school, institution, or facility so they may provide FREE GOGI programming to their participants. This course is one of a series of four courses offered by Getting Out by Going In (GOGI).

Institution/Organization Feedback: Please send each student's completed "My Opinion Matter" survey to info@gettingoutbygoingin.org.

GOGI Student: Do not email this course to GOGI. Turn this course in to the individual who provided it to you. Do not use this course as a "My Opinion Matter" survey as this is required for your official GOGI certificate. Your course completion will be processed by your facilitator, instructor, or supervisor.
