***Here is a tip from Coach Keaton regarding HIS My Life Story Course*** – *“I remember when I completed my 15-page life story assignment in 2017. To be honest, it was intimidating. I don’t like writing, and the assignment brought up things in my life that I am not happy about. This assignment challenges an individual’s level of commitment and it’s the very first assignment I issue to people that I am mentoring towards GOGI Coach certification. I am sharing some of the stuff that I incorporated into my life story. It may help if you are struggling to get through any of the ages you are asked to reflect on. \*Remember - there are no right or wrong answers to the questions. You do not need to write details of anything you are uncomfortable writing about. Details are not important. Your ability to consider your past from where you are now is the goal of this course. At GOGI, we believe this course helps build increased insight. Insight increases your ability to create a future designed by you.” Coach Keaton*

**Here are the requirements ~ REQUIREMENT 1 – Format.** Your project must be handwritten on 8.5 by 11 inches paper (school-size). Write on both sides. White paper is best. You must complete 15 full pages using 8 pieces of paper. Remember, write neatly. If we can’t read your writing, you may not get credit. Spanish or other languages is fine. Please start your work about 1 inch from the top of each page, and leave 1 inch at the bottom. Leave about ½ inch on the sides.

**~REQUIREMENT 2 – Identification.** At the top of EVERY PAGE put your LAST NAME, FIRST NAME, and your ID. PLEASE.... On the top of the FIRST PAGE please make sure you put ALL your contact info including housing, facility, address, city, state, zip, etc.

**~REQUIREMENT 3 – Submission.** This course MUST BE MAILED TO GOGI. Do not turn it in at an institution or to anyone else. You must MAIL THE COURSE TO GOGI.

**~REQUIREMENT 4 – Content.** Simply write significant memories, details, and events you believe were significant or impactful. Write your memories and the thoughts or feelings you had about these events. Please know you do not need to write details. Like Coach Keaton said, this is for you. This is a course for you to gain insight into the journey of your life. You do not need to share details that make you uncomfortable, but you should not avoid events or choices that have impacted you greatly. You will gain more insight the more clearly you look at all you experienced through the years. If GOGI is already a part of your life and you use your GOGI Life Tools, please share that journey! We love a great GOGI story!
